

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and small dark spots, possibly due to age or handling. A vertical crease is visible near the right edge, suggesting it was once part of a bound volume. The overall tone is a warm, off-white or light beige.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. The right edge of the page is dark, indicating the binding or the edge of the book block.
